Handling your customers' problems after hours, from running out of gas to a flat tire, have always been an issue in the rental car industry.

In our continuing effort to find and recommend products and services that will help our clients run their business more efficient, we at GMI have found yet another solution we feel you should know about.

24 hours a day, seven days a week, Towing and Roadside assistance, Auto Knight is available to assist your Rental Customer. Auto Knight, a Cartrans company, has been in business for more than 10 years with thousands of satisfied customers. Auto Knight owns its own vehicles to provide well maintained service and transportation.

This valuable service is available to the rental car industry through this offer is at less than half the retail price. You can protect your vehicles for only $30.00...That's Right....Only $30.00 per year per vehicle to have a 24 hour emergency number staffed by professionals that will handle your customers like their own!
